Re: Dominion Plaza, Dallas, Texas

Dear Mr. Dalfen:

CEO

We would like to take this opportunity to let you know how pleased we are with your management group at Dominion Plaza. Rhonda John and Rebecca Strain are wonderful to work with. Any issue that arises is addressed in a timely manner. The building and the surrounding premises are kept impeccably clean and neat. We are proud to have guests visit our office, and the employees appreciate a safe and aesthetically-pleasing place to work.

We would gladly recommend your property and management group to prospective tenants. Please feel free to use Emergency Staffing Solutions as a reference.

Sincerely,

Ron Weiss
