

FLORIDA DEPARTMENT OF JUVENILE JUSTICE

Charlie Crist, Governor

To: Commandment Reality

We would like to inform you of the terrific service provided to us by our local Leasing And Management Team. They are wonderful about getting the job done. In fact, very little has to be asked of them because they have it done before its even thought about. We have two suites in the Cascades and both are totally covered by the management in all ways. They are very pleasant to work with and we appreciate all they do.
