

## Leslie&Associates, Inc.

17304 Preston Road ■ Suite 1320 ■ Dallas, TX 75252 ■ 972.713.3660 ■ Fax 972.713.3670

In early 2007 our company, Leslie & Associates, Inc., found itself in the market for a new office space. Our broker introduced us to Dominion Plaza and its superb Property Manager, Rhonda McFarlane. Rhonda assisted the leasing agent in showing us the available space in the building and expressed her interest in us becoming a new tenant. Her caring and professional manner helped convince us this was the right place for us.

Rhonda was true to her word in working with us so we could custom design our new office space to meet our individual needs. Working with her on a virtual daily basis enabled us to create a new space which truly feels "right" for us and our employees.

Since moving into the new space in July, 2007, Rhonda has continued to create a feeling that she truly has an interest in our company and our employees. Having been a tenant in several Dallas office buildings over the course of 30 years, we have dealt with a number of capable property managers. We can confidently say it would be difficult for anyone to surpass the level of interest, competency, and professionalism Rhonda demonstrates to us on a daily basis. She has become one of our favorite people!

Because of Rhonda and her fine staff, this property is extremely well managed. We can highly recommend Dominion Plaza to any prospective client.
