To Whom It May Concern,

This is a letter of reference for the Commandment Realty team.

We have found the leasing and management team very responsive to our needs throughout the time we have held a lease here.

We moved our operations into the Cascades office complex in June of 1998. On several occasions we have been able to capitalize on expanding our services and had the need to lease additional space. Their efforts to accommodate our additional needs as they have developed are appreciated as well.

I consider them all competent professionals and have no hesitation in personally recommending them.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffery E. Baxla".
