Murray

I just visited your shopping center

Bayside Bridge Plaza and our store #0386 were very pleased. I would like to thank you for your efforts in the exterior of the shopping center. You have kept the plaza in a first class condition even in these hard times especially for Florida.

Speaking of difficult times, the leasing efforts and thought your team has put in your tenants has really paid off. You have been able to maintain a full shopping center while others are showing 20% & more vacancy rates are extremely helpful for Publix's business.

As you are aware we are actually a large owner of shopping centers and we have not been able to keep this low vacancy rates.

Please thank your team for a very professional job.
