**RE: SHER DYE & ASSOCIATES
One Year Anniversary**

Dear Ms. John:

Our first year went by so quickly at Dominion Plaza; it truly seems like only yesterday we were under construction.

Thank you and your staff for making us feel at home from the start. We just have to let our needs be known and the response is immediate.

The Building Engineers, Day Porter, Security Officers and Assistant Property Manager are always eager to assist us; they are so pleasant. Even the janitorial service takes care of our special needs with a "can do" attitude.

The grounds, parking garage, corridors and restrooms are always immaculate. It is obvious you take great pride in your property.

For these and many other reasons, we are looking forward to the next six years.

Best regards,

Scott Dye, AIA, NCARB
Architect
